

Part 2 – Calculating Your FarmCash Advance

2.1) Post-Harvest/Fall Advance

Calculate your advance based on your commodity selection and the applicable FarmCash advance rates by filling out the following applicable table(s). List only those commodities for which you are applying for an advance. Ensure your quantity is applied in the proper metric as indicated on the Advances Rate sheet.

Applicants who applied earlier in the year under spring Advance must submit this form along with Fall Report/Post Harvest Report no later than Dec 31, 2020 to transfer their Spring advance to Fall advance, otherwise the advance will become due immediately.

Note: Honey & Livestock Producers must submit their 2020 AgriStability Program Enrollment/Fee Notice and Proof of Inventory using 2 years of inventory valuations from their AgriStability Reference Margin Summary.

A. Post-Harvest/Fall Advance: Stored Crop Commodities

Complete this table if you are applying after harvesting. List only those commodities for which you are applying for an advance.
