

PY2025-Advance Payment Program Application

Available to producers in Western Canada: BC, AB, SK, MB.

Cash advances will begin on April 1, 2025, but producers can submit applications at any time during the year

Please review these important details before beginning your application

Eligibility

-  Any individual producer who is a **Canadian Citizen** or **Permanent Resident** of Canada and has attained the age of majority in their province of operation shall be eligible to apply. Corporations, cooperatives, and partnerships are also eligible. Producers applying through Alberta Grains (FarmCash) are required to provide valid government-issued photo identification.
-  Producers must own the agricultural product for which the advance is being applied. To qualify for a **livestock advance**, the livestock must already be at foot.
-  This cash advance program is made available through the **Minister of Agriculture and Agri-Food Canada** under the **Agricultural Marketing Programs Act (AMPA)**. If you or any related producer has an outstanding default on a previous or current advance with any **Advance Payments Program (APP)** administrator, you will be ineligible for an advance under AMPA.
-  As the program administrator, Alberta Grains (FarmCash) reserves the right to refuse any application.

Advance Limits

-  Producers can apply for an Alberta Grains (FarmCash) Advance of up to **\$1,000,000**. The first **\$250,000** is interest free subject to terms and conditions.
-  The interest free provision and maximum advance is cumulative over all APP Administrators.
-  The maximum cumulative advance that can be issued to a Producer, including current outstanding advances (2023 and 2024) and eligible advances for 2025, can at **no time exceed \$1,000,000**.

Application Fee

-  A **non-refundable application fee of \$400** will be deducted from each advance issued to the producer. This fee is payable to the administrator for the purpose of processing the application.

Interest Charge

-  Interest-bearing advances shall accrue interest at a rate equal to the **RBC Prime Rate minus 0.5% (Prime - 0.5%)**, calculated on a daily basis and compounded monthly. Such interest shall be determined and applied to the account no less than once per month.

Funds Issued to Producers

-  Producers applying for a pre-harvest Intended Seeding crop or Intended Honey Advance are eligible to receive 60% of their requested advance upon approval of their application. The remaining 40% will be issued when Alberta Grains (FarmCash) receives the producer's Actual Seeded/Anticipated Honey Report and, for crops, a confirmed Seeded Acreage Report/Statement of Crop Insurance and Invoice. All recipients of a pre-harvest Intended Seeding crop or Intended Honey Advance must submit this report by **July 31, 2025**, otherwise, the advance will become due immediately.
-  Producers applying for a pre-harvest Actual Seeded Advance on crops or Anticipated Honey Advance must submit a Post Harvest/Actual Honey Report or repay their account in full by **December 31, 2025**.
-  Alberta Grains (FarmCash) issues funds to an account holder via electronic funds transfer (EFT).

Security

-  A grain producer must have valid 2025 crop insurance coverage or be enrolled in 2025 AgriStability to be eligible for a pre-harvest advance. Post-harvest advances are secured by the crop in storage. For farmers using SCIC or GARS who have completed an Assignment of Indemnity, Alberta Grains (FarmCash) may collect additional required documents directly from the insurance provider.
-  Honey producers must have valid 2025 honey insurance coverage (AFSC or SCIC) or be enrolled in 2025 AgriStability to be eligible for an advance. Livestock producers must be enrolled in 2025 AgriStability to be eligible for an advance. The deadline to apply for AgriStability is April 30th of each year. AgriStability enrollment fees must be paid in full to be allowable as security for an advance.
-  Product loss covered by BRM security will result in payments being made to Alberta Grains (FarmCash) until the advance is repaid in full. Recent changes to AMPA regulations have introduced flexibility regarding the types of coverage that can secure an advance. Applicants seeking to use an alternative form of security should contact Alberta Grains (FarmCash) at **1.855.376.2274** to confirm security eligibility.

Please review the following Repayment Deadline dates

		PRODUCTION PERIOD	REPAYMENT DEADLINE
 Field Crops & Honey		April 1, 2025 to September 30, 2026	September 30, 2026
		October 1, 2024 to September 30, 2026 (Winter Cereals)	
Livestock		April 1, 2025 to March 31, 2027	March 31, 2027

Repayment

-  Repayments shall be applied in the following order:
 1. To the interest-free principal portion of the advance (if applicable);
 2. To any interest charges accrued (if applicable);
 3. To the interest-bearing principal portion of the advance (if applicable).
-  In the event that multiple advances remain outstanding, repayments shall first be applied to any accounts in default (if applicable), and thereafter, repayments shall be applied to the oldest outstanding advance.
-  Repayments may be made by cheque, electronic funds transfer, bill payment, or through an authorized grain dealer.

Repayment Requirements

-  Producers are required to repay their Advance as they sell the commodities listed on their Advance.
-  Repayment is required within **30 calendar days** of receipt of payment.
-  Repayments submitted outside of those deadlines may be subject to an interest penalty.
-  Minimum repayment is calculated by multiplying the Advance Rate in effect at time of issuance by the number of units sold.
-  Continuous flow producers are obligated to repay in full either **12 months** from the issue date or by the end of the production period, whichever occurs first.

 Proof of sale documentation for repayments made directly to Alberta Grains (FarmCash) must be submitted no later than the end of the production period. Proof of sale documentation is mandatory in all instances, except as specifically outlined below for crops.

 The following information must be included in an acceptable proof of sale document:

- Date of Sale
- Name of Seller (including contact information)
- Name of Buyer (including contact information)
- Type of Agricultural Product Sold
- Quantity of Agricultural Product Sold
- Net Amount Received for the Sale of Agricultural Product

Proof of Sale

 Proof of sale must accompany repayments made on all Storable Agricultural Products advances between **February 1, 2026, and September 30, 2026**.

 Proof of sale must accompany all repayments made on Livestock advances between **April 1, 2025, and March 31, 2027**.

 Repayments made without proof of sale for amounts exceeding the greater of \$10,000 or 10% of the total advance amount will incur an interest penalty at the **RBC Prime rate plus 1% (Prime + 1%)**.

 For crop advances, proof of sale documentation is not required for repayments made from the beginning of the production period until January 31, 2026.

 For further details, refer to the Terms & Conditions of the Repayment Agreement.

Authorized Buyer/s

 The official list of Alberta Grains (FarmCash) Authorized Buyers is available at **<https://farmcashadvance.com>**. These Authorized Buyers have contractually agreed, upon request from a producer, to remit deducted funds to Alberta Grains (FarmCash) within thirty (30) calendar days for the purpose of repaying an outstanding advance account. The Buyer shall require the following account details to process such remittances: the producer's name, mailing address, and Agricultural Producer Payment Program (APP) ID Number.

 Alberta Grains (FarmCash) shall conduct verification audits on a sample group of cash advance recipients each year. The producer shall be responsible for covering the cost of the inspection. Selection for the verification audit is typically random; however, additional criteria may be used to identify candidates for inspection, which may include, but are not limited to:

- a) Insufficient or inadequate documentation of sales;
- b) Repayment of advances within the final month prior to the program deadline;
- c) Applicants who have one or more defaults within the past three Agricultural Producer Payment Program (APP) years; and
- d) Advances deemed by Alberta Grains (FarmCash) to be of high risk.

Inspection and Verification

 In the event an inspection identifies an inventory shortage, the producer shall be required to repay the overissued amount within thirty (30) calendar days. Failure to do so will result in the producer being deemed in default.

 A field and/or inventory inspection may be required to verify compliance with the Agricultural Marketing Programs Act (AMPA). If a subsequent inspection is deemed necessary, the producer shall bear the cost of the inspection, payable to the administrator. Refusal to comply with an inspection request shall result in immediate default.

 In cases where the producer's commodity is stored jointly with another producer, the producer must provide a clear and detailed breakdown of the inventory by individual producer at the time of inspection.

 Failure to adhere with the terms of the Repayment Agreement, including but not limited to the full repayment of the outstanding balance by the end of the Production Period, shall result in the Producer's account being put in default.

 In the event of default:

- The Producer will forfeit any and all interest-free benefits previously granted under the Agreement.
- An upfront default fee of **3.0% of the outstanding balance**, calculated as of the date of the default notice, will be due thirty (30) calendar days from the date the Producer is notified of the fee.
- Default interest will accrue at a rate equal to the **RBC Prime Rate plus 1% (Prime + 1%)**, applied to the outstanding balance from the date the advance was issued until the date of default.
- From the date of default until the outstanding balance is fully repaid, default interest will accrue at a rate equal to the **RBC Prime Rate plus 3% (Prime + 3%)**, applied to the outstanding balance.
- Producers in default may be subject to a period of ineligibility for future advances.

Default

 A Priority Agreement with each Secured Creditor must be executed for any secured creditor that holds, or may hold, a security interest or lien on the crops, livestock, or sweeteners in respect of which the advance application is being submitted. Secured creditors may include, but are not limited to, financial lenders and crop input suppliers. In the event that no Priority Agreements are provided, a secured creditors search will be conducted, which may result in delays.

Priority Agreements

 A rejected advance application can be appealed by the producer. An appeals committee at AlbertaGrains (FarmCash) will examine the justifications and supporting documentation submitted by the applicant for reconsideration. For further information, send an email to info@farmcashadvance.com.

3. Repayment of the Advance

- 3.1. The Producer shall fully repay the amount of the Advance as specified in the Application, including accumulated interest and any fees or costs charged to the Producer, to the Administrator by the end of the Production Period in accordance with the following:
 - 3.1.a. where an Agricultural Product(s), in respect of which the Advance is made, is **sold to a buyer** named by the Administrator, by authorizing each buyer to withhold from such proceeds an amount in respect of each sold unit of Agricultural Product(s) and at the Advance Rate(s) in effect at the time the Advance was issued (per the Application), and to remit to the Administrator such amounts withheld until all the Advances made to the Producer and the interest payable by the Producer on those Advances are repaid; or
 - 3.1.b. where the Producer otherwise sells or disposes of that portion of Agricultural Product(s) in respect of which the Advance is made, by paying directly to the Administrator for each unit of Agricultural Product(s) within **thirty (30) calendar days** of receipt of payment an amount at the Advance Rate(s) in effect at the time the Advance was issued (per the Application) until all the Advances made to the Producer and the interest payable by the Producer on those Advances are repaid. Each repayment should be supported by proof of sale;
 - 3.1.c. where the Producer has assigned or otherwise agreed to transfer, payments from an Eligible BRM Program listed in the Application, as applicable, the Producer agrees that that these payments will be applied by the Administrator, within **five (5) calendar days** of receipt, until the amount of the outstanding Advance and the interest payable by the Producer is repaid. The Administrator will reimburse any amount received from the Eligible BRM Program in excess of the outstanding Advance to the Producer within **seven (7) calendar days** of receipt.

- 3.2 Where Agricultural Product(s) in respect of which an Advance was made is sold or disposed of, the Producer shall provide proof of sale or disposal documentation to the Administrator no later than **twenty-one (21) calendar days** after the **end of the applicable Production Period**. A repayment schedule may be used on lieu of the requirement for the Producer to provide proof of sale, especially where the Agricultural Product(s) is Non-Storable.
- 3.3 In addition to the mandatory payments under Paragraphs 3.1.a, or 3.1.b, above, the Producer may choose to reimburse the Advance:
- 3.3.a. by making a repayment(s) without proof of sale prior to or on the last day of the Production Period of up to the greater of \$10,000 or ten percent (10%) of the total amount of the Advance issued. If the Producer chooses to repay an amount in excess of such amounts without proof of sale for the Agricultural Product(s), the Producer will be charged an interest penalty at the rate outlined in Paragraph 6.1.c of these Terms and Conditions, on the excess amount from the day the Advance was issued to the day the repayment was made. The Producer shall have **thirty (30) calendar days** to pay the interest penalty or be declared in default;
 - 3.3.b. by paying directly to the Administrator any amount received by the Producer under an Eligible BRM Program; or
 - 3.3.c. by paying directly to the Administrator any amount received by the Producer, not exceeding the proceeds evidenced by proof of sale;
 - 3.3.d. notwithstanding Paragraph 3.2.a of these Terms and Conditions, by making a repayment without providing proof of sale if the Administrator is satisfied that the Agricultural Product(s), in respect of which the Advance was made, has not been disposed of by the Producer at the time of the repayment. As such, third-party verification will need to be provided or an inspection conducted, and may be at the expense of the Producer, including the Administrator's **inspection fee** paid by the Producer; or
 - 3.3.e. notwithstanding Paragraph 3.3.a of these Terms and Conditions, by making a repayment without providing proof of sale for Advance(s) taken on the Agricultural Product(s) listed in the attached schedule from the beginning of the Production Period until **January 31, 2026** or until the end of the Production Period, whichever is earlier, provided that the Producer is able to confirm the units in production to the satisfaction of the Administrator.
- 3.4. In the event that the Producer repays the amount of the Advance to the Administrator by selling the Agricultural Product(s), or part of the Agricultural Product(s) to a buyer(s) in the manner described in Paragraph 3.1.a of these Terms and Conditions, the Producer shall:
- 3.4.a. indicate in writing to the Administrator to which buyer(s), named by the Administrator, the Agricultural Product(s) will be sold, prior to selling the said product(s) to such buyer(s);
 - 3.4.b. notify the Administrator immediately upon receiving any information to the effect that said buyer(s) is not promptly remitting to the Administrator the amount so withheld; and
 - 3.4.c. remain liable to the Administrator for repayment of any part of the Advance where said buyer(s) has failed to remit to the Administrator that part of the Advance withheld by it pursuant to its Agreement with the Administrator.
- 3.5 The Producer agrees that the full amount of repayments received by the Administrator will be applied first to the portion of the Advance on which the Minister pays the interest (i.e., the interest-free portion) until it is repaid, before being applied to any other amount owing under this Repayment Agreement, in the following order:
- 3.5.a the interest that accrues on the interest-bearing advance, until it is repaid;
 - 3.5.b the interest-bearing advance;

- 3.5.c any penalties related to repayment without proof of sale and late repayment; and
 - 3.5.d any other outstanding fees and/or costs charged by the Administrator until they are repaid.
- 3.6 If a Producer that is an individual (sole proprietor) dies or is declared legally incapable of making decisions, no interest penalty will be applied for failing to provide proof of sale or documentation of disposal.

4. Security Interests

4.1 The Producer hereby grants a continuing security interest in the Agricultural Product(s) used to obtain the Advance, and in any Agricultural Product(s) produced in a subsequent Production Period by the Producer and all proceeds of such, to the Administrator to secure repayment of the debt owing to the Administrator arising from this Repayment Agreement. The Producer declares that the Administrator's security interest in the Agricultural Product(s) shall rank prior to the interest of any other secured creditor. The Producer confirms that signed priority agreements have been obtained from all secured creditors who have or may be entitled to a security interest in the Agricultural Product ranking ahead of the Administrator, including those listed in the Application or otherwise identified through lien search. The Producer agrees that upon default, the Administrator has the right to seize the Producer's Agricultural Product(s), and any Agricultural Product(s) produced in a subsequent Production Period, wherever situated, sell the Agricultural Product(s) as it sees fit, and apply the sales proceeds to reduce the Producer's debt owing to the Administrator arising from this Repayment Agreement, including interest and any legal default management costs, until fully repaid.

4.2 To further secure the Advance, the Producer hereby irrevocably assigns:

- 4.2.1 for all Eligible BRM Programs listed in the Application, as applicable, with the exception of AgriStability and ASRA, their current year payments under the Eligible BRM Program(s) to the Administrator to secure repayment of the debt owing by the Producer to the Administrator arising from this Repayment Agreement; or
- 4.2.2 where the Eligible BRM Program(s) listed in the Application, as applicable, are AgriStability and/or ASRA, their current year, and any future year, payments under the Eligible BRM Program(s) to the Administrator to secure repayment of the debt owing by the Producer to the Administrator arising from this Repayment Agreement.

The Producer agrees that these BRM Program payments will be paid automatically to the Administrator until the debt owing by the Producer to the Administrator arising from this Repayment Agreement is repaid in full. The Producer declares that the assignment of these BRM Program payments to the Administrator takes priority over any other security interest. The Producer confirms that all necessary signed priority agreements with any secured creditor have been obtained such that the Administrator's security interest in these BRM Program payments shall rank in priority to any other interests. The Producer agrees and understands that the Administrator may register financing statement(s) on these BRM Program payments at such provincial Property Security registries as the Administrator determines advisable. The Producer hereby waives all rights to receive from the Administrator a copy of any financing statement or confirmation statement issued at any time respecting the Administrator's security interest in these BRM Program payments.

4.3 Through no fault of the Producer, should the quantity of the Agricultural Product(s) used to secure the Advance not be sufficient to justify the outstanding Advance, the Administrator shall notify the Producer that they have **thirty (30) calendar days** to either repay the part of the outstanding amount of the Advance that exceeds the reduced coverage or make application for an advance on another Agricultural Product(s) and have the proceeds of the advance amount applied to the deficit. Failing this, the Producer will be declared in default.

- 4.4 Should the quantity of the Agricultural Product(s) used to secure the Advance be reduced, through an act of the Producer, and not be sufficient to justify the outstanding Advance, the Producer will be immediately declared in default.
- 4.5 Where a Reseeding Benefit is available and the Producer suffers a loss prior to the associated reseeding deadline, the Producer agrees to reseed in order to ensure that they continue to qualify for a full crop insurance indemnity should additional losses be experienced. Otherwise the Producer will be considered in an overpayment situation on the unsecured amount and will have **thirty (30) calendar days** from the reseeding deadline to repay the part of the outstanding amount of the Advance that exceeds the reduced coverage amount by the greater of ten thousand dollars (\$10,000) or ten percent (10%) of the total amount of the Advance or, if eligible, make application for an Advance on another Agricultural Product(s) and have the proceeds applied to the deficit. Failing this, the Producer will be declared in default.
- 4.6 For the purposes of giving effect to any of the Producer's undertakings under the Repayment Agreement, notably concerning the priority agreement, the security and assignment of rights, the Producer shall make, execute and deliver to the Administrator any documents or agreements as the Administrator may reasonably request, including security agreements, assignments and financing statements.
- 4.7 With the exception of addressing an overpayment as per Section 4.3, the Agricultural Product(s) used to secure an advance cannot be changed following receipt by the Administrator of the BRM Program Coverage Report, or of other means of confirmation of Production Units, and, per Sections 2.1 and 2.5 of these Terms and Conditions, payment to the Producer of either the second installment or 100 percent of the Maximum Eligible Advance.

2. Issuance of the Advance

- 2.1. The Administrator shall issue an Advance on a Storable Agricultural Product(s) – Post-Production calculated in accordance with the Application and using the Advance Rate(s) specific to that Storable Agricultural Product(s) – Post-Production. The Producer must have sufficient Agricultural Product(s) in storage to justify the Advance.

 - 3.1.b. where the Producer otherwise sells or disposes of that portion of Agricultural Product(s) in respect of which the Advance is made, by paying directly to the Administrator for each unit of Agricultural Product(s) within **thirty (30) calendar days** of receipt of payment an amount at the Advance Rate(s) in effect at the time the Advance was issued (per the Application) until all the Advances made to the Producer and the interest payable by the Producer on those Advances are repaid.  - 3.3.a by making a repayment(s) without proof of sale prior to or on the last day of the Production Period up to the greater of \$10,000 or ten percent (10%) of the total amount of the Advance issued. If the Producer chooses to repay an amount in excess of such amounts without proof of sale of the Agricultural Product(s), the Producer will be charged an interest penalty at the rate outlined in Paragraph 6.1.c of these Terms and Conditions, on the excess amount from the day the Advance was issued to the day the repayment was made. The Producer has **thirty (30) calendar days** to pay the interest penalty or be declared in default;

- 3.3.b by paying directly to the Administrator any amount received by the Producer, not exceeding the proceeds evidenced by proof of sale;
- 3.3.c notwithstanding Paragraph 3.3.a of these Terms and Conditions, by making a repayment without providing proof of sale if the Administrator is satisfied that the Agricultural Product(s), in respect of which the Advance was made, has not been disposed of by the Producer at the time of the repayment. As such, third-party verification will need to be provided or an inspection conducted, and may be at the expense of the Producer, including the Administrator's **inspection fee** paid by the Producer ; or
- 3.3.d notwithstanding Paragraph 3.3.a of these Terms and Conditions, by making a repayment without providing proof of sale to repay an Advance taken on an Agricultural Product(s) listed in the attached schedule from the beginning of the Production Period until **January 31, 2026**, or until the end of the Production Period, whichever is earlier.

- 3.4.a. indicate in writing to the Administrator to which buyer(s), named by the Administrator, the Agricultural Product(s) will be sold, prior to selling the product(s) to said buyer(s);
- 3.4.b. notify the Administrator immediately upon receiving any information to the effect that said buyer(s) is not promptly remitting to the Administrator the amount so withheld; and
- 3.4.c. remain liable to the Administrator for repayment of any part of the Advance where the said buyer(s) has failed to remit to the Administrator that part of the Advance withheld by it pursuant to its Agreement with the Administrator.
- 3.5. The Producer agrees that the full amount of repayments received by the Administrator will be applied first to the portion of the Advance on which the Minister pays the interest (interest-free) until it is repaid, before being applied to any other amount owing under this Repayment Agreement.

The Producer declares that the Administrator's security interest in the Agricultural Product shall rank prior to the interest of any other secured creditor. The Producer confirms that signed priority agreements have been obtained from all secured creditors who have or may be entitled to a security interest in the Agricultural Product ranking ahead of the Administrator, including those listed in the Application or otherwise identified through lien search. The Producer agrees that upon default, the Administrator has the right to seize the Producer's Agricultural Product(s), and any Agricultural Product(s) produced in a subsequent Production Period, wherever situated, sell the Agricultural Product(s) as it sees fit and apply the sales proceeds to reduce the Producer's debt owing to the Administrator arising from this Application and Repayment Agreement, including interest and any default management costs, until fully repaid.
- 4.2 To further secure the Advance, the Producer hereby irrevocably assigns their current year payments under Eligible BRM Program to the Administrator to secure repayment of the debt owing by the Producer to the Administrator arising from this Application and Repayment Agreement. The Producer agrees that once in default all these BRM Program payments will be paid automatically to the Administrator to offset the debt owing by the Producer to the Administrator arising from this Application and Repayment Agreement is repaid in full. The Producer declares that the assignment of these BRM Program payments to the Administrator takes priority over any other security interest. The Producer confirms that all necessary signed priority agreements with any secured creditor have been obtained such that the Administrator's security interest in these BRM Program payments shall rank in priority to any other interests. The Producer agrees and understands that the Administrator may register financing statement(s) on these BRM Program payments at such provincial Property Security registries as the Administrator determines advisable. The Producer hereby waives all rights to receive from the Administrator a copy of any financing statement or confirmation statement issued at any time respecting the Administrator's security interest in these BRM Program payments.
- 4.3 The Producer agrees to provide continuous LPI coverage of at least **two (2) times** the value of the APP Advance. The Producer agrees to notify the Administrator of their intention to renew their LPI contract at least **ten (10) calendar days** prior to the expiration of the LPI contract used to secure this APP Advance. If the Producer does not renew their LPI contract, of at least **two (2) times** the value of the APP Advance, the Producer must repay their Advance in full, repay the value of the Advance in excess of the LPI security value, or provide to the Administrator an alternative Eligible Form of Security within **sixty (60) calendar days** of the expiration date of the LPI contract used to secure the APP Advance. If the Producer fails to do so, the Administrator will place the Producer in default as described in Section 5 of these Terms and Conditions.
- 4.4 Through no fault of the Producer, should the quantity of the Agricultural Product(s) used to secure the Advance not be sufficient to justify the outstanding Advance, the Administrator shall notify the Producer that they have **thirty (30) calendar days** to either repay the part of the outstanding amount of the Advance that exceeds the reduced coverage or make application for an advance on another Agricultural Product(s) and have the proceeds of the advance amount applied to the deficit. Failing this, the Producer will be declared in default.

- 4.5 Should the quantity of the Agricultural Product(s) used to secure the Advance be reduced, through an act of the Producer, and not be sufficient to justify the outstanding Advance, the Producer will be immediately declared in default.
- 4.6 For the purposes of giving effect to any of the Producer's undertakings under the Repayment Agreement, notably concerning the priority agreement, the security and assignment of rights, the Producer shall make, execute and deliver to the Administrator any documents or agreements as the Administrator may reasonably request, including security agreements, assignments and financing statements.
- 4.7 With the exception of addressing an overpayment as per Section 4.4, the Agricultural Product(s) used to secure an advance cannot be changed following receipt by the Administrator of the BRM Program Coverage Report or of other means of confirmation of Production Units,

7. General Provisions

- 7.1. The Producer agrees to provide the Administrator with any information requested by the Administrator to substantiate the statements made within this Application to further satisfy eligibility requirements. Failure to provide such documentation as requested by the Administrator may result in a rejection of the Application or in being declared in default if the Advance has been issued.
- 7.2. The Producer is aware that a recalculation of the Advance may occur based on changes to market prices and that it could result in an overpayment with either a repayment or application of a new advance against the overpayment amount being required within **thirty (30) calendar days**.
- 7.3. The Advance under this Repayment Agreement is deemed to have been granted on that portion of the Producer's Agricultural Product(s) first sold. The Producer shall not dispose of any other part of this Agricultural Product(s), in any manner, before disposing of that portion of the Agricultural Product(s) for which the Advance was received. This means that a repayment must be made by the Producer with the first sale of the Agricultural Product(s). Notwithstanding the above, in cases where the Producer provides to the Administrator proof of identification, supported by appropriate records, allowing for the identification of each unit of Livestock subject to the Advance, then the Advance under this Repayment Agreement is deemed to have been received on that portion of the Producer's Agricultural Product that has been identified.
- 7.4. This Repayment Agreement shall commence upon approval and execution of this Application and Repayment Agreement by the Administrator, and shall terminate upon repayment of all amounts provided for in this Repayment Agreement.
- 7.5. The Administrator or its authorized agent has the right to perform credit checks on the Producer and inspect the Agricultural Product at any time while the Producer has advances outstanding under the program.

- 7.6. The Producer shall give immediate notice to the Administrator of any material loss, destruction or damage to the Agricultural Product(s). If the Agricultural Product(s) or a portion of the Agricultural Product(s) for which an Advance was made ceases to be in marketable condition, the Producer shall be subject to the actions set out in Sections 4.4. or 4.5. of the Terms and Conditions depending on if the loss, destruction or damage was the Producer's fault or not.
- 7.7. The Producer shall respect the terms of the Eligible BRM Program(s) used as security and shall ensure the assignment of any payments from the Eligible BRM Program(s) to the Administrator up to the extent of the outstanding Advance, interest and costs/fees. The Producer must notify the Administrator within **seven (7) calendar days** if further requests for an assignment on the Eligible BRM Program proceeds are made, granted or registered.
- 7.8. This Repayment Agreement shall be interpreted in accordance with the laws of the province of Alberta, Canada.
- 7.9. The Producer shall have multi-peril insurance coverage on their farming operation which includes the entirety of the Agricultural Product(s) for which the Advance was made, where the Agricultural Product(s) is stored on the premises. This coverage must be sufficient to cover the full extent of the Advance until the Producer's liability is repaid. If the Agricultural Product(s) is stored off-farm at a commercial facility, the Producer must ensure that the commercial facility has such insurance.
- 7.10. Whenever the singular or masculine is used throughout this Repayment Agreement, it shall be construed as including the plural, feminine or neutral whenever the context and/or the parties hereto require.
- 7.11. In the event that any part of this Repayment Agreement is found to be invalid by a court of law, then the Producer agrees to be bound by the terms and provisions of the balance of this Repayment Agreement.
- 7.12. This Repayment Agreement shall not terminate by reason of death or disability of the Producer, but shall continue to be binding upon personal representatives to execute any instruments which may be necessary or proper to carry out the purpose and intent of this Repayment Agreement.
- 7.13. Where the Administrator determines that the Producer is insolvent, bankrupt, or has recently filed a notice of intention to make a proposal or has made a proposal under the *Bankruptcy and Insolvency Act* or is seeking protection under any other insolvency or bankruptcy related statute such as the *Companies' Creditors Arrangement Act* and the *Farm Debt Mediation Act*, the Producer's application must be rejected.
- 7.14 No amendment to this Repayment Agreement which may result in the reduction of the value of the security pursuant to Section 4.0 of these Terms and Conditions, other than an amendment to correct a clerical or mathematical error, shall be made without written permission of the Minister.
- 7.14a the value of the Agricultural Product(s) produced has decreased through no fault of the Producer to the extent that it has made it more beneficial to feed the Agricultural Product(s) to the Producer's animals than to sell it; or
- 7.14b the cost of feed has increased to the point where it is more beneficial to feed the Agricultural Product(s) to the Producer's animals than to purchase feed.
- 7.15 Unless authorized by the Minister, any amendment to the Repayment Agreement as per Subsection 7.14 of these Terms and Conditions will not be retroactive and will come into force on the day that the amendment is signed. The Parties recognize that any interest benefit received as a result of Paragraph 6.1.a. of these Terms and Conditions before the coming into force of the amendment does not need to be reimbursed.
- 7.16 All parties herein agree that should there be any discrepancies between this Repayment

Agreement and the *AMPA* and its regulations, the *AMPA* and its regulations will supersede this Repayment Agreement.

- 7.17 The Producer agrees that AAFC on behalf of the Minister may contact them for the purpose of evaluating the program.
- 7.18 If the Producer knowingly misrepresents information and/or fails to provide information that may be deemed important for the verification of the advance Application, repayment of the advance, or payment of program penalties, all benefits under the APP may be forfeited and the Producer may be subject an APP ineligibility period of **five (5) years, or a period agreed to by the Administrator and the Minister**, exclusion from the APP and/or other Agriculture and Agri-Food Canada programs, and prosecution.
- 7.19 An appeal process is in place for cases where the Application is rejected. The appeal will be reviewed by knowledgeable program staff who did not participate in the initial decision to reject the Application. The appeal process concerns only program eligibility. Producers will not be able to appeal the advance amount(s) it is determined that they are eligible to receive under the program.
- 7.20 Where the Administrator has submitted the Producer's file to AAFC for payment by the Minister under the guarantee and where AAFC has recovered the outstanding debt from the Producer in full or in part through a compromise settlement, and where there are still Default Management Fees owing to the Administrator by the Producer, the Administrator reserves the right to continue to pursue the repayment of these Default Management Fees from the Producer.
